SPEAKER: Very good. Thank you. Before we take up the motions, it is the chair's privilege this morning, if I could have your attention, to introduce Mr. Manuel Sound from Micronesia. He is the Deputy Director of Education there and I think that the members of this body would find it interesting to know that Micronesia has a Unicameral system. Mr. Sound is accompanied by Dr. Ann Campbell and, of course, he is here as a guest of the U.S. Department of Interior. They are seated under the north balcony and if they would rise, please, I think the body would like to recognize Mr. Manuel Sound. Pleased to have you this morning as a visitor of our Nebraska Unicameral Legislature and we hope you enjoy your visit to Nebraska, the breadbasket of the nation. Do you have motions on the desk?

CLERK: Mr. President, I have one new bill.
